

The most rewarding part of being a VSJ volunteer is...

"being involved and getting to know the ever changing and diverse community in which we serve" (AH)

"knowing that you were there for someone during a time of crisis in their life. Knowing that you supported and listened to them and made sure that they weren't alone" (MP)

"giving of myself" (TH)

"giving back to a community that has given me so much" (MB)

"knowing that we played a part helping someone get through a difficult time" (LG)

"helping other people in a time of crisis, when their world had been turned upside down" (CC)

I would encourage others to volunteer with VSJ because

"it's a great way to give back to your community... you are there for people that might not have anyone to turn to" (MP)

"something of you becomes alive" (T)

"of the wealth of knowledge you gain. I have learned so much about York Region, and the array of wonderful community programs that are available" (MB)
